

Internship UI/UX Design, Kuala Lumpur-based

We are a fast-growing, Kuala Lumpur-based online shopping start-up that already operates in 7 markets across Southeast Asia. We are building Southeast Asia's one stop shopping destination by consolidating products and promotions from leading local and international online shops into a single platform. We are creating the most delightful online shopping experience for you to find the products you have always been looking for, to discover new products and to benefit from relevant offers for great-value shopping.

We are a young and motivated team with a special mix of tech geeks, fashion queens and entrepreneurs. We have a strong bias for action, we want to learn and grow and we want to build a great company together.

We are an Asia Venture Group (AVG) portfolio company. AVG is one of Southeast Asia leading seed financing/ VC firms with deep e-commerce know-how. Investments include iMoney, Happy Fresh and TrustedCompanies, among others.

Your playground

- Translate product requirements into user interfaces for our web site and mobile apps
- Design marketing material like infographics, flyers and banners
- Create assets from Wireframes and Interaction Designs over Redlines to the actual Comps
- Collaborate closely with the development team on the implementation of the designs

What your bring to the table

- Pursuing a **Bachelor's Degree**/Diploma in Art, Design, Multimedia or a related subject
- Really passionate about **Web Design, Apps, UX** and **UI**
- Up-to-date on latest trends like **Flat Design** and **Responsive Layout**
- An **eye for detail** for designing products that are **simple, intuitive** and **delight** customers
- Experienced user of **Adobe Photoshop, InDesign**, and / or **Illustrator**
- Ideas about the **iOS** and **Android** user experience guidelines
- Knowledge of **HTML** and **CSS** is a plus

Here's the deal

- Experience the most exciting phase of a start-up first-hand
- Work in a fast-pace environment with many challenges and new career opportunities along the way
- Become part of our dynamic, fun and international team
- Gain deep copywriting and SEO knowledge

If all this sounds exciting to you, send your CV, one or two sentences about why you're interested in the job, your next possible start date and your salary expectations to careers@ipricegroup.com (for the attention of Jane Ng). Looking very much forward learning more about you!
