

Category and QC Specialist, Kuala Lumpur-based

We are a fast-growing, Kuala Lumpur-based online shopping start-up that already operates in 7 markets across Southeast Asia. We are building Southeast Asia's one stop shopping destination by consolidating products and promotions from leading local and international online shops into a single platform. We are creating the most delightful online shopping experience for you to find the products you have always been looking for, to discover new products and to benefit from relevant offers for great-value shopping.

We are a young and motivated team with a special mix of tech geeks, fashion queens and entrepreneurs. We have a strong bias for action, we want to learn and grow and we want to build a great company together.

We are an Asia Venture Group (AVG) portfolio company. AVG is one of Southeast Asia leading seed financing/ VC firms with deep e-commerce know-how. Investments include iMoney, Happy Fresh and TrustedCompanies, among others.

Your playground

- Daily SEO research to plan, prioritize and implement our category tree
- Create new categories in collaboration with partners to further expand our tree
- Manage the process of onboarding multiple new e-commerce stores on a weekly basis
- Tag and categorize newly introduced products in our system
- Performance and quality control of categories and products
- Challenge yourself with over 3 million products in our portfolio

What your bring to the table

- Native speaker in one of the following languages: English, Thai, Bahasa Indonesia or Vietnamese
- Excellent Excel and PC skills, ability to adapt quickly to new tools
- Experience with SEO tools like Google AdWords and Keyword Planner
- Capable of working with tight deadlines and ambitious KPIs
- Detail-oriented, yet creative team player
- Deep knowledge in fashion and lifestyle related products

Here's the deal

- Experience the most exciting phase of a start-up first-hand
- Work in a fast-pace environment with many challenges and new career opportunities along the way
- Become part of our dynamic, fun and international team
- Gain deep categorization experience and SEO knowledge
- Work on the key value proposition of our business and influence our product directly

If all this sounds exciting to you, send your CV, one or two sentences about why you're interested in the job, your next possible start date and your salary expectations to careers@ipricegroup.com (for the attention of Halima Saadiah). Looking forward to learning more about you!
